### **Knight Visions Studio & Gallery Hosts Artist Reception and Show Featuring Five Nationally Recognized Northwest Artists**

**Bothell** – Join Knight Visions Studio & Gallery as they welcome five nationally recognized Northwest artists. The artist reception and show will take place Saturday, December 9<sup>th</sup>, from 11 a.m. to 4 p.m. at the Knight Visions Studio & Gallery, located at 19533 Filbert Drive in Bothell.

Headlining the event is **Hal Sutherland**, an award-winning Northwest artist whose use of brilliant color and his often humorous approach in many of his Western styled paintings, have contributed to an ever-increasing demand for his works throughout the country and even abroad.

Along with his success as a commercial artist, Mr. Sutherland is also recognized for his work as an animator for the Walt Disney Company, animating shows like Fat Albert, The Archies, Gilligan's Island, Pinocchio, The Hardy Boys and many more. He went on to become a television producer and director, winning an Emmy for the popular Star Trek television series, before moving to Bothell to focus on his painting.

Mr. Sutherland will be joined in person, by noted Northwest artists **Penny Merkley, Judy Ryan, Patty Forte-Linna** and **Gail Hornsby Wolf**. The artists will unveil new original artwork and prints, as well as be available to answer questions about their work. In addition, new originals and limited edition giclees by artist **Teresa Vatter** will be offered.
